

Growth Grant Application Process

Growth Grants awarded as part of the Flagler Catalyst Fund will be smaller one-time capacity building grants, including technical assistance, to support smaller organizations or early-stage programs. The goal of these grants is to increase capacity of Flagler organizations or encourage organizations outside the community to bring services into Flagler County.

Submissions will be accepted all year round. The deadline to submit ideas for the first funding cycle was July 15, 2022. Any submissions received after that date will be considered in the second funding cycle.

Stage in Application Process	Description of applicant's responsibilities
Screening and Idea Submission (online form)	Visit www.flaglercares.org/catalyst/ and complete the online form by July 15. You will provide basic information and answer questions about how you intend to serve Flagler County residents if awarded a grant.
Interview	After Flagler Cares reviews your submission, you may be contacted to schedule an interview for further discussion of your ideas, your technical support needs, management of your project, and more.
Evaluation by Finance Committee	The Flagler Cares Finance Committee will convene to review your proposal and determine funding amount, not to exceed \$25,000 per applicant per year.
Negotiation of Funding Agreement	Flagler Cares will contact you and will begin the process of finalizing a Funding Agreement, to include your requests for technical assistance, as appropriate.
Implementation, Support, and Outcome Report	You will be expected to comply with routine reporting requirements, all of which will be detailed in your Funding Agreement. Flagler Cares will be available throughout the life of your grant agreement for technical assistance, as detailed in your Funding Agreement.
Process Review and Evaluation	Flagler Cares will evaluate successes and failures from this round of accepting applications and assess any changes to improve the next round. This may include revisiting applications that were not accepted during the round in which they were submitted and reevaluating them in the next round.
